The Associate  
Management Officer  
Assistant Director for Security and Counterintelligence

Organization and Functions of the Publications Division, 25X

1. Attached hereto is the proposed organization chart and statement of functions of the Publications Division, 25X.
2. On 27 October 1949, the Publications Division was established to perform those functions assigned to the Current Intelligence Division and the Staff Intelligence Division.
3. It is requested that appropriate action be taken by your office at the earliest practicable date to formulate the organization and functions of the Publications Division in order that the Table of Organization and position grades can be officially established.
